ROTE SPOKES

Two meetings have gone by the boards since our last column. Yours truly has enjoyed the vacation as much as the editor but now, back to work.

Monday, August 14th, we had the pleasure of hearing the Mayor of our town lay before us some of the hopes and problems incumbent of civic office.

Mayor Jensen, under the sponsorship of the Community Service Committee, started his talk by lauding the work of the Service Clubs in our community. He felt that they had a definite place in our way of life and were filling that place creditably. At the same time the Mayor felt the need for an active Board of Trade. Such an organization could do invaluable work in pushing, for instance, hard surfaced road connections and gas supply to our town.

The Mayor continued by pointing out how hard it is to instigate improvements and how costly they are in a town laid out on such a grand scale as our own. A lot of money spent does not noticeably show when it is spread thinly over the large area of Raymond. Most of the improvements in the last few years have gone underground and are not seen by the casual observer, but, oh, how we who use them, appreciate them!

Over \$200,000 have gone into sewer and waterworks in the last three or four years. Without a doubt, we have one of the finest water and sewer systems of any town in Western Canada. In an aside, Niles Wing, who was present at our meeting pointed out that a town as long established as American Fork, still has no sewer nor little prospect of getting one.

The Mayor made the recommendation that one of the most pressing improvements required now was more fire hydrants. Besides the safety factor involved, installation of more hydrants would cut down the town insurance rate.

Several blocks of new sidewalk have been laid. The Mayor pointed out that these walks were laid upon the request of the property owners on the block and if you are wondering why one does not run in front of your place you might inquire as to whether you and the other property owners on our block have ever petitioned the Town Council for a sidewalk. This must be done and true to human nature, the group that makes the most noise will probably get the first action.

The Mayor closed his remarks by pointing out that civic improvement begins with the individual. If each of us would see that our own property and the town property in front and back of our lots was kept clean what a big improvement this one thing would make in the appearance of our town. Thanks, Mayor Jensen.

When We Build

"When we build, let us build forever. Let it not be for present delight, nor for present use alone; let it be such as our descendants will thank us for; let us think, as we lay stone on stone, that a time is to come when these stones will be held sacred because our hands touched them and that men will say as they look upon

(continued on page three)

Douglas Litchfield is at present employed at Lomond, Alta.

Red Cross News

The Red Cross Blood Donors Clinic held on August 10th was the most successful one to date with 163 donors keeping their appointment at the clinic.

The local branch of the Red Cross wishes to thank Mr. Lee Brewerton and the Raymond Recorder for the publicity given this event. Also, thanks to the First Ward Relief Society group who donated the refreshments, to the ladies who assisted at the recovery beds and to Mrs. C. Litchfield and Mrs. A. C. Winkler who washed the tubes.

We hope that when the Mobile clinic comes to Raymond next year we will again be able to reach a higher objective.

The Raymond Branch of the Canadian Red Cross wish to announce that Lawrence Kotkas has successfully qualified as a Water Safety Instructor at the 1950 Red Cross Aquatic School held in Red Deer, July 10-15. The purpose of this course in water safety is to reduce the number of drownings and to teach people to be at home in the water.

Lawrence has just completed High School and will attend the University at Edmonton this fall. His chief interests are swimming, basketball and music.

While at Red Deer he earned the Bronze Medal given by The Royal Life Saving Society. After he completed the week's course he spent a week in Calgary where he assisted Mr. R. C. Bishop, Provincial Director, with swimming classes for the blind. At present Lawrence assists Gordon Cooper at the local pool.

We have some sad news for Douglas Fairbanks Jr. According to one teenager at the show the other night his age is creeping up on him — he even looks like a father now. And he's so young too!

Mrs. Roy O'Brien of Ogden, Utah, is visiting relatives and old friends here.

To Present Novelty Program

The First Ward will present a novelty program this coming Tuesday night, August 29, at the Stake House. All are invited to attend.

Musical Program

Monday evening in the Stake House the First Ward sponsored a very fine and entertaining musical program. It was to raise funds to insulate the building and to lay linoleum on the classroom floors.

Mrs. Beth Walker was M.C. for the program which consisted of several Marimba selections by W. S. Bullock of Taber. He was accompanied by his daughter Claire at the piano. Kenneth Hicken played two organ solos and then teamed with Patricia Strong for a piano-organ duet. A two-piano duet was played by Shirley Allen and Marolyn Taylor. Mrs. Kathryn Keeler then played two piano solos followed by two vocal solos by Mrs. Jeannine Jensen. The two humorous readings by Geraldine Asplund of Lethbridge brought to a close the very pleasant evening.

Deaths

Selman

Friends will be sorry to learn of the passing of Charles William (Will) Selman at his home here early Wednesday morning at the age of 69. Funeral services will be conducted from the Stake House on Saturday afternoon at 2 o'clock with Bishop J. Golden Snow officiating.

Postmaster L. L. Palmer underwent a major operation at the Municipal Hospital on Wednesday. His condition is improving steadily.

Complete Staff

A complete teaching staff is ready and waiting for September 5th to roll around so they can call the roll and get started on another years work. The classes this year will total more than 780 pupils with over 500 Public School and 280 High School pupils.

Following is the list of teachers for the Public School:

Principal, J. O. Hicken, grade seven; William Nalder, grade seven; Grant Erickson and Beatrice Pack, grade six; D. E. Broadhead and Lois Heggie, grade five; LaFern Harker and Virginia Rolfsen, grade four; Zelda Wolley and Elaine Stevenson, grade three; Nelda Bullock and Marie Dahl, grade two; Viola Wing and Irene Minion, grade one.

Velma Redd will teach music and Gerald Gibb will divide his time between Stirling and here. He will teach Shop in Stirling in the mornings and relieve Principal Hicken in the afternoon.

There has been one change and one addition to the High School staff — Mrs. Kay Rolfsen will fill the vacancy left by Elaine Steed who is attending University in Provo and Mrs. Eleanor Hudson will teach this year. The High School staff is as follows: Principal, L. H. Jacobs, H. Dean Rolfsen, Mrs. Laqua, Athol Cooper, M. T. King, D. E. Miller, Leon Harker, Cal Hill, Velma Redd, Kay Rolfsen and Mrs. Hudson. Bill Nalder will teach Seminary.

The ground work for the new school is expected to be started this fall with the building ready for use for the next term.

Mrs. Ellen Bunting and three children from California have been guests at the home Mr. and Mrs. John Smith. spent last week-end in Waterton.

Mrs. Vivian King was a visitor in Great Falls for a few days last week.

High Average

The average final standing in Departmental examinations for Grade 12 for the local school was above the Provincial average according to reports received today. A per centage break-down for Grades 9 and 12 follows:

Grade 9	Grade 12
H - 3.3%	H - 5.8%
A - 27.1%	A - 25.7%
B - 44.4%	B - 42.2%
C - 20.0%	C - 17.4%
D - 5.0%	D - 7.7%

Family Reunion

The family of Mrs. C. H. Palmer and the late William M. Palmer held their annual reunion at the Dominion Experimental Farm in Lethbridge on Sunday, August 6, with Superintendent and Mrs. A. E. Palmer acting as hosts. One hundred members of the family were present.

Colored pictures were taken and a delicious plate lunch was served following an enjoyable program with Delman O'Brien of Lethbridge as M.C.

L. L. Palmer opened the program with prayer after which followed: a reading by Garth Palmer of Taber, reading of the minutes of the 1949 reunion at which 70 members were present by Helen Sabey, a reading "Song of Sherwood" by Geraldine Palmer, two vocal selections, "Old Man River" and "Danny Boy" sung by Edwin Palmer of Taber, two vocal solos, "The Whippoorwill Song" and "Galway Bay" were rendered by Clayton O'Brien of Calgary, a song by Carma Woolley and remarks by Lamonte Palmer, Nova O'Brien, Rex Thomas and Marion Palmer.

The following officers were released with a vote of thanks, Pres. F. M. Palmer, Vice-Pres. C. D. O'Brien, Sec. Theas. Marie Matkin and Genealogist Florelle Palmer.

Those elected to assume duties for this year are President Edwin Palmer Vice-Pres. William J. Harding, Sec. Treas. Jennie Harding and Genealogist LaRue Palmer all of Taber.

To bring a very enjoyable occasion to a close Delbert Palmer proposed a toast to those responsible for this year's successful party.

Mrs. Ellen Bunting and three children from California have been guests at the home Mr. and Mrs. John Smith. spent last week-end in Waterton.

A Message for You

Tuesday morning, September 5th, will be the beginning date for a lot of problems for a lot of people and the Recorder can well be numbered in that class. Ever since we started publishing a paper, 22 weeks ago, we have had difficulty in getting enough local news to fill the pages and now, to add to our troubles, our star reporter, Virginia Rolfsen, finds it necessary to leave us. We were unsuccessful in our attempt to find a replacement so we decided to try doing the job ourselves.

To assist us in this we are having several small note boxes made that will be placed in the various stores and we will sincerely appreciate your co-operation in using the writing material provided to send along your news items to the Recorder.

We are trying to have an extension phone put in at home to facilitate phoned news.

We are trying to make your hometown newspaper a good one and you will greatly help if you give us any news items about yourself particularly but about your friends and neighbors as well.

We again ask your co-operation. Sincerely, Max and Roxie

Mr. and Mrs. J. L. Larson are holidaying in Waterton and other points of interest in the mountains.

The H. L. West family held a get-together recently at Waterton Park. Those attending from Raymond were Mrs. May Selman and family and Mr. and Mrs. Lyman Jacobs and family.

Engagements Announced

Mr. and Mrs. E. J. Fawns announce the engagement of their daughter, LaVon (Bonnie) to Mr. Orrin E. Baird, son of Mr. and Mrs. Orrin R. Baird of Provo, Utah.

The marriage will take place on September the fourteenth in the Alberta Temple.

The wedding is announced of Vicky Kwolek, Reg. N., of Hamilton, Ont. and Melita, Man. to Roger Desmet of Lethbridge, formerly of Ypres, Belgium, at ten o'clock, the morning of September ninth, in the Church of the Sacred Heart, Raymond with Rev. Fr. Sullivan officiating.

Capitol Theatre News

One of the most unusual pictures of the current season is "The Lawless" which stars MacDonald Carey with a fine supporting cast. Ace commentator Drew Pearson says it will be the most talked-of picture of the year. This is the attraction at the Capitol this Friday and Saturday.

Also, playing with this picture is a featurette entitled "The Boy and the Eagle".

Through the Fall season the local theatre, "The Capitol", has the most wonderful line-up of attractions and just to name a few, how do these look? Sunset Boulevard — Francis — The Furies — Adam's Rib — Cinderella — Fancy Pants — Cheaper by the Dozen and a host of others.

The Lions Club have discontinued their summer regular meetings until the harvest is over but they have not stopped their activities. Some of you may have noticed the start made on the new Children's Playground. At one of the meetings in May a motion was passed to divide the Project into four sections—one for each sector of town and a Lion was appointed to secure a site for each playground. The front part of the lot at the Swimming Pool was secured from the Town by Golden Snow for his South-West site. The beginning was made.

Hiede Karaki is the Chairman of the Children's Committee with the following Lions as members: Morris Cooper, Lyle Bigelow, Tucker Hironaka, Cal Hill and Les Robinson. These men rounded up equipment that has been lying around for two years waiting to serve the kiddies. On a Wednesday evening a couple of weeks ago they organized a work bee and went to working in earnest. You would have enjoyed seeing Karl and Herbe showing Morris how to feed a cement mixer—a good job too. Your engineer, King, was directing the project layout with the Club President, Woolf, as assistant. Will Wilde and Reg Cooper were Tucker's aides in the excavation work—with a posthole digger. James is Official post setter. The Club Secretary was learning how to work the Irishman's buggy.

A fine start was made. The teeter-totter is planted and needs only the fixtures to fasten the boards to the frame. The main frame for the swings was set up and needs only the side braces. The big post for a giant stride is well anchored. The sand pit has been put together and partly filled. The project is by no means completed and we hope that more Lions will turn out at the next session.

We have been held up for a long time by a pipe shortage. If any good citizen of our town can tell us where we can get a few odd lengths of old pipe in one and a half to three inch diameters, it will boost the Playground immensely. Have a good look around—you may be able to give us a lift on this much-needed and much-delayed scheme.

The Lions are attempting to get a good playground in each quarter of town but we cannot keep it in good condition without the help of all the older people of our community—especially those of High School age. Proper care of this material will give the kiddies enjoyment for a long time. The equipment set up at the Swimming Pool is on part of the territory used by the School for softball. There is plenty of room for all if a little co-operation is shown. We appeal to the High School group to help us keep this playground in good condition. We do not wish to stand the expense of continuing the steel fence down the north side of the Swimming Pool lot and we do not wish to block off part of the ball diamond now in use—let's get together and all use the playground for its intended purpose.

Colleen Christensen has accepted a teaching position at the Spring Coulee school. She recently returned home from Edmonton where she completed her second year in the Education course at the University.

NOTICE

To Whom it May Concern

To enable the Raymond Co-Op Cheese Factory Assn. to pay off its shareholders it is necessary that we collect our outstanding accounts to enable us to pay our indebtedness to them.

These accounts may be paid at either the Central Meat Market or the Treasury Branch.

Your immediate attention to this matter is requested.

We Feel Good

Our morale received a boost the other day when we received the following letter.

Oceanside, Calif.
 August 12, 1950.

Dear Max and Roxie,

I guess I have been quite inconsiderate but I want you to know that I really appreciate receiving the paper every week.

You are really doing a wonderful job and have a very interesting paper. It has changed and is really worth reading. I look forward to it every week. I liked the way you wrote the articles on the softball series even if we didn't do so good.

I didn't get a chance to meet you two before I left but I'm looking forward to it.

I just finished reading this week's paper and almost wish I were home but this work is much too wonderful. I am enjoying my mission very much and it is passing by much too fast. I am truly grateful for the privilege and opportunity of being here in the field. Of course as all missionaries will say who have labored here "The Californian mission is the best ever".

Thanks a lot for your thoughtfulness.

Sis. Lois Milner,
 P.O. Box 494
 Oceanside, Calif.

Mr. and Mrs. I. S. Orgill recently returned from a holiday in Salt Lake City where they were the guests of Mr. Orgill's brother-in-law and sister, Mr. and Mrs. Frank Collett.

Two members of the Birthday Club, Mrs. Elsie Mitchell and Mrs. Marie Matkin were guests of honor at a party Monday evening at the home of Mrs. Ada Orgill.

A delicious lunch was served after which the honored guests were each presented with a lovely gift.

Mr. and Mrs. Gerald Gibb and family recently returned from a holiday trip to Seattle where they visited Mr. Gibb's father. They came home through the Windermere Pass, Banff and Calgary.

Our Trip

Our plans for a trip over beautiful Logan Pass fell through when our friends and their car found it impossible to go so we decided to leave on a hitch-hiking trip to Calgary and Banff.

The alarm rang loud and long on Monday morning at 5 o'clock to enable me to get down to the shop to finish up one job, go home, have breakfast and then bring my good wife down to the bus station to wait for a few minutes to get the bus for Lethbridge where the hitchhiking part of our hike began.

Upon arriving in the city we went to see friend John Lawson at the Herald and then did our hiking out to the brewery where the old thumb went into practice. Now many people look down on this form of travel — in fact it took me over sixteen months to convince Roxie it was quite OK and fun too. Of course everyone has his or her opinion on the subject and quite rightly so. Anyway we saved over \$25 on transportation — had a wonderful time, bothered no-one and were bothered by no-one.

When we got to the flat by the brewery we put down our little suitcase and watched several cars go by — some were full and others just didn't seem to want to give us a ride. Just for fun I told Roxie that we would be in Calgary by six p.m., as it was a quarter to eleven at that time it looked like a safe bet.

Our first ride was with a lone man driving a Plymouth. He told us he was only going as far as the Orton road, that was on our way so we jumped in. In the course of a very interesting conversation he mentioned that he had flown to Salt Lake a couple of times, well, I just beat Roxie to it when I asked him if he were a Mormon — couldn't think why anyone else would fly down that often. "Yes," he said "and if it makes it any better, I'm a Mormon bishop." It turned out that he knew Roxie's folks and one of her sisters quite well and quite a few other people we were also acquainted with. His name is A. T. Champney and we are grateful for the enjoyable time we had in his company.

Mr. Champney wasn't a speed artist but he passed several of the cars

that had left us standing by the brewery and Roxie made the comment that if we did that often enough we might wear down their resistance — 'twas not so though.

While walking along the sidewalk by the Iron Works in Lethbridge we were passed by a maroon suburban — a car similar to the station wagon only made completely of metal. It was my opinion that he was going to Calgary and would have given us a ride and I told my good and lovely wife so. It turned out that I was only partly right because after several of our friends had passed he came along and gave us a ride to the junction west of Macleod. He had had an emergency stop on the road. He was also driving a Plymouth.

We had planned to tell this tale in one issue but too much important news came in so if you are not too bored read another installment in next week's paper. Prepare for a siege though 'cause we have just started — only used four of our twenty nine pages. The story gets better as it goes along so look for it next week won't you?

The rail-road tie-up is being evidenced here by the large number of trucks that have invaded the Sugar Factory. Loaded with their sweet cargo they are bound for such distant points as Edmonton, Moose Jaw and Regina.

The call of the wild goose must have been heard early this week by Bill Fairbanks, Rol Stone, Shirley King and Winston Shaw 'cause they headed off into the wide blue yonder and ended up by enjoying a golfing excursion to Kalspel and White Fish, Montana.

Bridal Shower

A bridal shower honoring Mrs. Rex Thomas was held recently in the Second Ward Recreation Hall. Mrs. Thomas is the former Nova O'Brien. The guests were greeted at the door by Mrs. Thomas, Mrs. I. S. Orgill, her mother, and Miss Orvilla Smith of Lethbridge. Alton Christensen was in charge of the guest book. Employees of the Mental Hospital prepared and served the delicious lunch after which the bride opened her many lovely gifts assisted by Mrs. Nora Witbeck and Orvilla Smith. The gifts were arranged by Mrs. Ross Larson and Mrs. Dora Thompson.

Mrs. Helen Sabey was M.C. for the interesting program which consisted of a vocal trio, Wylene Fisher, Velma Vance and Carole Larsen with piano accompaniment played by Miss Larsen. A sing-song was conducted by Mrs. Marie Matkin with Mrs. Emma Dahl at the piano and Geraldine Court sang two solos accompanied by Mrs. Dahl. Mrs. Emma Redd gave two humorous readings and Mrs. Velma Redd played a piano solo. Mrs. Geneva Erickson gave a humorous reading followed by a vocal duet by Mrs. Helen Sabey and Mrs. Marie Matkin then Mrs. Matkin sang a solo.

Out-of-town guests were from Lethbridge, Magrath and Barnwell.

A group of about ten ladies called at the home of Mrs. Eleanor Hyde recently to honor her at a handkerchief shower. Mrs. Hyde leaves shortly to make their home in Lethbridge.

Family Reunion

One hundred and forty-three members of the Shields family met at Whooop-up for a family re-union, recently with Jim Shields of Salt Lake City as guest of honor.

Softball, games for young and old and the lunch were greatly enjoyed by everyone.

A committee was organized with Mrs. Irene Bowden as President, Leland Shields of Lethbridge as Vice-President and Mrs. Leland Shields as Secretary.

Did you know that STONE'S carry a beautiful assortment of Diamond and Wedding rings and Watches?

Charles Bird

Expert Pianist and Piano Tuner

Is accepting pupils for regular piano lessons or lessons in playing by ear.

Welling Notes

(Faye Stringham)

Mr. and Mrs. Roy Chipman were recent holidayers in Kalspel, Mont. and in Banff.

Mrs. Katie Wilde and family spent a few days in Edmonton recently.

Mr. and Mrs. Dean Wilde and family were recent visitors in Calgary for a few days.

Mr. and Mrs. Jesse Wilde and members of their family spent a week in the U.S. and brought back their son Robert from Ft. Collins where he has been attending University.

David Wilde had the misfortune to break his wrist while on his trip with the motorcyclists.

Mrs. Alda Bullock is in Muncie, Ind. visiting her daughter, Mrs. Nina Hutchinson.

A group of friends were made happy recently by Art Wilde when he took them to Waterton for a few days.

Mrs. Elva Grey of Spokane is here visiting friends and relatives. Mrs. Elsie Chipman entertained in her honor on Monday afternoon.

Miss Olive Price of Chicago was a recent visitor here at the home of Mrs. Maline Wilde.

Weddings

Thomas - O'Brien

A pretty summer wedding was solemnized on Saturday, August 12, at the home of Mr. and Mrs. I. S. Orgill when their youngest daughter, Nova O'Brien, became the bride of Rex Thomas, only son of Mr. and Mrs. Arthur Thomas of Princeton, Indiana. Bishop William Jensen performed the ceremony with only immediate relatives present.

Bouquets of cut summer flowers were artistically arranged throughout the room.

The bride was charming in a white gabardine suit with pink blouse and navy accessories. Her corsage was of American Beauty roses and tiny white carnations.

Mrs. Evans Sabey, sister of the bride, in an afternoon frock of dusty-rose-wine with white accessories and a corsage of deep pink roses, was matron-of-honor.

Evans Sabey supported the groom. The bride's mother was gowned in ice-blue crushed taffeta with white accessories.

During the signing of the register Mrs. DeVoe Matkin, sister of the bride, sang "Because".

Following the ceremony a delightful plate lunch was served.

Mr. and Mrs. C. D. O'Brien and sons Colin and Calvin accompanied by Jack Misen were guests from Lethbridge.

For going away the bride changed to a navy blue and white gabardine suit.

Their honeymoon was spent in Waterton Lakes Park.

The happy couple will make their home in Great Falls, Mont.

Rolfson - Bennett

Julia Rose Bennett, the youngest daughter of Mr. and Mrs. Verden Bennett of Magrath became the radiant bride of Ray Dwayne Rolfson, eldest son of Mr. and Mrs. Ray Rolfson of Salt Lake City, Sunday afternoon at the beautifully decorated farm home of Mr. and Mrs. V. Rolfson and Mrs. Emily Rolfson, grandmother of the groom. Bishop Horace Ririe of the Magrath First Ward officiated.

The bride was gowned in white satin with a net overskirt and wore her rose corsage pinned at the waist. She wore a fingertip veil.

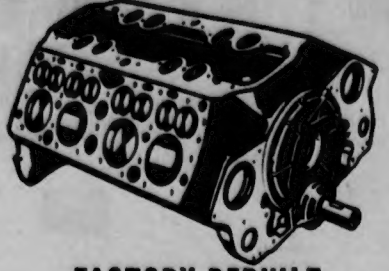

Bridesmaid Alice Bennett of Magrath chose a floor-length gown of blue organdy. Hugh Court, the groom's brother-in-law, acted as best man.

Following the ceremony a buffet lunch was served to the many relatives and friends present. Out-of-town guests were from Salt Lake City, Magrath, Glenwood, Spring Coulee, Cards ton, Rosemary and Weiser, Idaho.

The happy couple left immediately for Salt Lake City where the Temple ceremony will take place.

Mr. Rolfson has orders to report for active service with the American forces on August 28 at San Francisco.

A. W. Proctor has recently retired from the local Library Board. Since the organization meeting in 1946 he has acted as either Chairman or Director on the Board and has seen the Library grow from 500 books to a 1,400 book institution that is used by many school children and townspeople alike.

The Taylor Stake Primary Convention held here on Saturday was well attended with representations from all Wards in the Stake. Delegates from the General Board in Salt Lake City were Mary P. Parish and Mildred C. McKay who gave timely advice and instruction to those attending.

Stake President Louie Hogensen was in charge of all sessions of the convention.

Approximately seventy seven members of the Clark family gathered here on Saturday for a family re-union. A very enjoyable time was spent with outside games played at the park after which lunch was served at the hall. Following lunch a program was presented and a family organization was effected for the purpose of genealogy work. Clinton Hardy was elected President of the group with Lyman Hardy as Vice-President and Frank Clawson as Secretary.

Out-of-town visitors were Mr. and Mrs. Ken Stone and family from Raymond and others from Picture Butte, Barnwell, Glenwood, Rosemary, Salt Lake City and Edmonton.

ROTE SPOKES

(continued from page one)

the labor we wrought substance of them, "see, this what our fathers did for us."

There's not thrill in easy sailing when the sky is clear and blue. There is no joy in merely doing things which anyone can do. But there's a satisfaction that is mighty sweet when you reach a destination that you thought you couldn't make.

Ideals

Rotary has luncheons, but it is not a luncheon club; Rotary spends millions in good works, but it is not a charitable organization; it prescribes high vocational ethics, but it is not a trade union, medical council or bar association; it endorses the principle of the United Nations, but is not a peace society; Rotary is a global fellowship of business and professional men, dedicated to the ideal of human services, and from this simple, informal, stimulating, challenging, organization flows such applied idealism as is seldom witnessed in the long life of man on earth. Let Rotary neglect or abandon its integrating principle of service and it will have lost its fragrance, its beauty, the secret of its power. All Rotarians are under compulsion to serve each other, the community and the nation and the work of nations.

Until next week this is your Rote Reporter who agrees with Oscar Wilde that, one can give a really unbiased opinion about things that do not interest one, which is no doubt the reason an unbiased opinion is always worthless. The man who sees both sides of a question is a man who sees absolutely nothing.

THE NEW RAYMOND RECORDER

NOW! YOU CAN DO

MORE THAN TALK ABOUT

FREEDOM...

CANADA NEEDS MEN TO TRAIN AS ANTI-AIRCRAFT GUNNERS

A major requirement of Canada's defensive system today is men trained for anti-aircraft operations. Charged with the defence of vital areas, the men of the anti-aircraft units are equipped and trained in the use of modern scientific equipment — electronics, radar, radio and telephone.

There are very few more important jobs than service in an anti-aircraft unit for young men who want to make sure that Canada is well defended against any eventuality.

To enlist you must —

1. Be a Canadian citizen or British subject.
2. Be between 17 and 29 years of age.
3. Be single.
4. Meet Army test requirements.
5. Volunteer for service anywhere.

Report right away to
 No. 10 Personnel Depot, Currie Barracks, CALGARY, Alta.
 Headquarters, Western Command, Kingsway Ave., EDMONTON, Alta.

Depots open 8 A.M. to 10 P.M. daily.
 Bring certificates of age and education with you

GO ACTIVE — SERVE YOUR COUNTRY
 by strengthening Canada's Armed Forces today to build up the defences against aggression everywhere.

Local Happenings

Mr. and Mrs. Thomas Allan recently returned from a holiday through the States to Vancouver where they enjoyed a visit with Mrs. J. Brunton and family. Mrs. Brunton is the former Hazel Allan. A very pleasant trip is reported.

Miss Yoshiko Kitagawa of Lethbridge was a recent visitor here at the home of Mr. and Mrs. Hideo Karaki.

Dr. Rex Ehler of Calgary was a week-end visitor here with his wife and family at the home of Mr. and Mrs. Ted Gray.

Mesdames Ruby Holland and Joyce Harker were hostesses to the Raymond Music Club on Tuesday evening at the home of Mrs. Holland.

Plans for a picnic were discussed and a tasty lunch was served. Mrs. Gilchrist was a special guest.

Mr. and Mrs. Ed Pommen and two daughters returned on Sunday from a trip to Kalispel and Browning, Mont. They report a very enjoyable time and Mr. Pommen describes the Browning district as beautiful.

Mr. and Mrs. Karaki, Mr. H. Y. Hironaka, Mr. and Mrs. T. Amemori and Mr. and Mrs. K. Takaguchi and family were recent visitors to Rosemary.

Mike Rebalin was a business visitor in Brandon, Man., last week-end.

Mr. and Mrs. Harold Card and Mr. and Mrs. Bill Kinsey were week-end visitors in Waterton.

Mr. and Mrs. Ken Shaw were week-end visitors in Waterton.

THEY ARE ALIKE!**

If your John Deere Equipment needs parts replaced, you'll find it pays to replace them with only genuine John Deere Parts.

Why? Because each John Deere Part is the identical twin of the part built into your equipment. It's made from the same high-grade materials... from the same patterns and dies... with the same quality workmanship as was the original part it replaces. Genuine John Deere Parts are made to fit right... to last longer.

Check over your John Deere Equipment now. Get it set to go when the next working season arrives. Place your order with us for genuine replacement parts for your John Deere Equipment the next time you're in town.
